For example: IF the Facility is feeding inmates Flapjacks, any inmate whos fasting would eat that meal for that Day. Every day we eat small portion of meals, Frozen and uncooked. For that reason, I lost almost Ten pound due to been hungry every nights.

On August 13, 2012, I was ~~confronted~~^{attacked} by C.E. S. Watson at chow hall him been disrespectful and loud trying to restrict me my rights to practice a particular aspect of my religion, when he has no rights I was rushed from the chow hall to L.T. Berwick and L.T. Massy for questions about my religion I was ask what my name meant in Islam, how many time we should pray, that seem more like an interrogation and I ask them to stop. Then I asked for a Grievance form for further review by the Warden. I was told that I have no ground for Grievance by both L.T.s. After I spoke to the warden through request slips, I was given a Grievance form. direct order from Mr. Reilly.

The warden Edward Reilly responded to my issues with no solution, like everytime, due to his lack of understanding of inmates issues and his incompetent staff. it seems like its inmates v. Staff, whatever inmates have an issue, it seem like a joke to these staffs. They took me off the Ramadan list even before they spoke with the chaplain.

Removing me off the Ramadan list.

I was not allowed to fast anymore.

This Facility has a long history of bad tendency against muslims and their rights.

A United State preliminary injunction was filed in the Eastern District Federal Court on or about August 15th, 2007, reckless and callous indifference to the Federally protected rights as the Constitution the First Amendment. A muslim inmate house at the Northern Correction Facility about muslims services, due to the pressure, the administration appointed a new paid volunteer staff, Religious Coordinator, Mrs. Dana Hoyt. And she allowed muslims worship to continue. After two years, Mrs. Dana Hoyt left for some reason unknown, then Chaplain Hoyt who seems like brother of Dana Hoyt, he was appointed, despite his incompetency till this day. He did not provide inmate with a healthy habitative environment. During Ramadan, Chaplain Hoyt did not provide nutritionally adequate food that is prepared and served under condition that is should be. Ramadan food in this facility present an immediate danger to the health and well being of the all inmates who consume it, For example; something called bird seeds, that is dry mixed with rocks. and it given to inmates who's fasting Ramadan everyday. Any muslim inmate cannot participate in any other religion such as Christmas party and Christmas package were inmates gets useful, healthy food and other things that this

Facility don't sell in Canteen. The warden and the Chaplain deliberately indifference permitted the Constitutional abuses to continue unchecked till this Day of Muslims.

The Northern Correction Facility terminated groups meeting and disallowed the continuance of Muslim worship as well for unknown reason.

The Muslims worship should continue to be protected by State and Federal Constitution and assured by all under color of the law of the land and those in direct violation of said Right to Freedom of Worship is case in chief.
